

## ADHI COLLEGE OF ENGINEERING & TECHNOLOGY

No.6, MunuAdhi Nagar, Sankarapuram, Near Walajabad,

KanchipuramDist – 631 605. Ph: 044 – 2729 0096

### ONE DAY INDUSTRIAL VISIT

#### Event Brief

II year CSE students attended the one day industrial visit on 22/2/2017 Tuesday (22 Students) and on 24/2/2017 Thursday (21 Students) at Pyroferus Technologies, Ashok Nagar, Chennai.

#### Company Profile

Pyroferus Technologies is a privately-held, fast developing company in Chennai, India. We are specialized in serving the most challenging technology needs across the various domains worldwide. Our expert team works cohesively on each project meeting quality standards as well as fulfilling the client expectations. Our state-of-the-art services like Independent Test Group (ITG), Application Development, Product Development and Training are well laid to meet the business strategies and are similarly tailored to address the complex business challenges conforming to highest quality standards.

#### Topics Discussed

1. **Various Testing Methods**
2. **QTP**

QTP stands for **QuickTest Professional**, a product of **Hewlett Packard (HP)**. This tool helps testers to perform an automated functional testing seamlessly without monitoring once script development is complete.

HP QTP uses **Visual Basic Scripting (VBScript)** for automating the applications. The Scripting Engine need not be installed exclusively as it is available part of the Windows OS. The Current version of VBScript is 5.8 which is available as part of Win 7. VBScript is NOT an object oriented language but an object based language.

#### Student`s feedback:

It was very useful for knowing about real time testing strategies and testing environment which uses both manual and automated methods.
