## INAUGURAL FUNCTION OF THE WOMENS EMPOWERMENT CELL

---

**Date of Visit : 23.08.2017 10.30 am**

The Womens Empowerment Cell was Inaugurated here at Adhi College of Engineering and technology to promote within our institution a culture of respect and equality, promote women intellectuality and upliftment.

In view of today's society girls and women need to be well aware and conscious of their rights and duties and clearly understand the threats and issues surrounding them. Hence the need to provide this knowledge within educational institutions has become the utmost need of the hour.

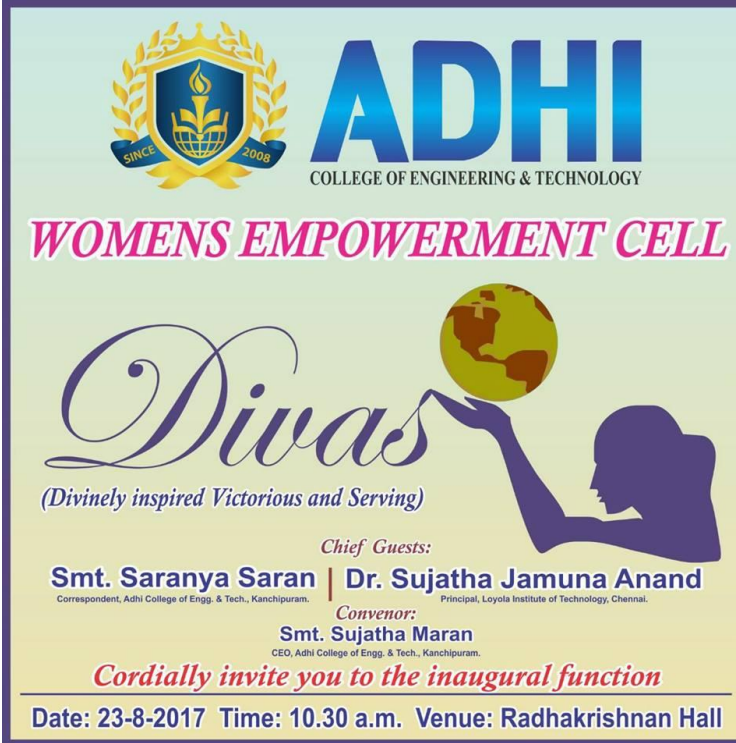

The cell was named as the DIVAS club. DIVAS – Divinely Inspired Victorious and Serving – who are our ACET ladies.

The chief guest for the function was **Dr. Sujhatha Jamuna Anand**, Principal; Loyola Institute of Technology, Chennai. The function was presided over by our Correspondent Mrs. Saranya Saran.

**All girl students of II and III years** of ACET who interacted with the chief guest.
