One day workshop on Industrial Control Automation Techniques

Report on One day workshop on Industrial Control Automation Techniques

ECE department organized a one day workshop on Industrial Control Automation Techniques in the VLSI laboratory, ECE premises dated on 13th August 2016, 9:30 A.M to 4:00 P.M. This workshop was mainly focussed on third year students of ECE. The workshop was organized by **Dr K Sakthisudhan**, HOD/ECE Convener of workshop, and Prof. S. Annle Angeline Preethi, coordinator of workshop, Mr. S. Kumaran, Mr.Keerthiselvan, Mr. V.Saravanakumar and Mr. Aijiz Moor, industrial resource persons from i-Race Automation, Chennai were present. They delivered their keynote address in the field of PLC and interfacing, SCADA, HMI, VFD and Relay logics. They delivered the excellent presentation with instrument demonstration. The students attended the SCADA and PLC programming knowledge with interfacing devices for industrial standards.

The chief guests were felicitated by Dr K Sakthisudhan HOD of ECE department, who presided over the function and shared his experience in the field of wireless field instruments. The workshop event was winded up with vote of thanks by Prof. S. Annle Angeline Preethi, Asst. Professor, ECE department.
