

ADHI COLLEGE OF ENGINEERING AND TECHNOLOGY

(Affiliated to Anna University-Chennai, Approved by AICTE)

KANCHIPURAM – 631 605

National Conference on Computers, Communication & Networks (NCCCN-2016)

REPORT FOR THE NATIONAL CONFERENCE HELD IN ELECTRONICS AND COMMUNICATION ENGINEERING

Adhi College of Engineering & Technology has given its consent to National Conference on Computers, Communication & Networks (NCCCN-2016). Hence NCCCN-2016 Inaugural Ceremony was conducted by ECE department on 23rd September 2016 at 10 A.M at Conference Hall, ACET. Chief Executive Officer (CEO), Principal, Heads from various departments, faculty members, Students and external participations were present for the inaugural function. **Dr M Malleswaran**, HOD of ECE, Anna University College of Engineering, Kanchipuram, who was the chief guest inaugurated the function.

Dr K Sakthisudhan, convenor of NCCCN 2016 has welcomed all and introduced the NCCCN -2016 inaugural ceremony of the day. In NCCCN-2016 function skills and experiences were shared with innovation and creation in field of computers, Communication and Networks. It was an inspiring platform for academicians, researchers and industrial persons in the area of communication and relevant trusted areas where they gained very good knowledge on the contemporary subject related developments.

Smt Sujatha Maran, CEO of Adhi College of Engineering & Technology delivered the presidential address and advised how it should give impact on conference theme that can be held under NCCCN 2016 in ACET premises. NCCCN – 2016 offered

In Association & Collaboration with

a platform for academicians, practitioners, researchers and other industrial persons acquired creative and innovative ideas on the shifting roles of computing and networks through by presenting papers, panel discussions, one to one meetings. Papers were addressing the theme of conference and based on wider area of Communication and the interaction between Communication and other disciplines of Communication were also welcomed.

Dr A Devaraju. Principal, introduced the chief guest and delivered the proceedings about NCCCN-2016. 20 external and 14 internal participants were registered to NCCCN -2016, national wide. 19 research papers were short listed to the Supplementary issue on ‘Computers, Communication & Networks’ by Scopus indexed publication of Institute of Integrative Omics & Applied Biotechnology. 8 research papers were communicated Current Nanoscience Journal (Science citation indexed Publication). Remaining quality of papers were communicated to ICTACT of Tamilnadu.

Dr M Malleswaran, HOD of ECE, Anna University College of Engineering, Kanchipuram inspired the research themes to follow up research activities and significance of NCCCN 2016. A proceeding of NCCCN-2016 was distributed to **CEO, Principal & Convenor** by the chief guest. The chief guest was felicitated by CEO of ACET. The CEO presided over the function and shared her experience of NCCCN -2016. The inaugural function was over with vote of thanks by Prof. K. Dineshababu, Asst. Professor, ECE department.

After the inauguration, keynote presentation on ‘STUDIES ON GPS-INS INTEGRATION USING SOFT COMPUTING APPROACHES’ was delivered by the Chief guest **Dr M Malleswaran.** He discussed the mathematical modeling of soft computing methods, Artificial Neural Networks, Genetic optimization techniques for
