

BORN TO WIN

Guidance is better than advice. Giving advice is very easy, but giving guidance needs something extraordinary brilliancy. Apart from giving guidance, students should be motivated that is what every student needs nowadays.

Adhi College of Engineering and Technology has been serving the student community since it was started, i.e., for eight years. In the chain of its serving activities, the next one is motivating the students, not only in promoting their learning Capacity, but also to strengthen their mind.

A one day workshop was conducted on 25.01.2013, under the title 'Born to Win', students from various schools, in and around kanchipuram District , were invited to take part in that workshop.

It was conducted by Dr. S.Selvam, Director, Centre for University collaboration, Anna University, Chennai.

Mrs. Sujatha Maran, CEO, Adhi College of Engineering and Technology, initiated the program by giving her valuable speech. Dr. V. Devaraju, the Principal, Adhi College of Engineering and Technology, guided the students, how to plan their studies and what to study, after their schooling.

Nearly 1200 students were benefited in that workshop.
