

Dr. Devaraju, Principal, Adhi College of Engineering and Technology was invited as the chief guests for a rural sports meet held on 18-2-2017 at Anderson Higher Secondary School, Kancheepuram. In this meet, students from more than 20 schools had participated from in and around Kancheepuram District. The Anderson Higher Secondary School is a 175 years old institution known for imparting quality and affordable education to rural students.

Dr. Devaraju was honored by the school management and was invited to deliver a speech to the students about the importance of physical activity and awareness regarding body fitness. The Adhi college management had sponsored free lunch for all the participating children throughout the event.
