

Math Genius-2016

Introduction:

Without mathematics, there is nothing you can do. Everything around you is mathematics. Everything around you is numbers.

To prove that

Adhi College of Engineering and Technology in association with “**News 7**” Tamil channel organized ‘Math Genius-2016’ for XII students by entering into this Competition, the students can acquire centum in the Government Examination, in such a way that the competition is designed. 30 questions from text book, 20 questions from COME book and 10 questions from IIT-JEE Advance /Mains Entrance

Nearly 7800 students from 130 schools in and around Chennai participated in it. The Qualifying round (first round) ‘One Word test’ was conducted in their school premises.

- i) Talented and high scorers have been selected from each school for the final round (second round) the final round was project presentation. It has been conducted in four different Zones like Kanchipuram, Chengalpet, Sriperumbudur and Tambaram.
- ii) Students presented their projects excellently best projects have been selected from each Zone as First, second and third respectively. The winners were awarded with cash prize and certificate.

Put your heart, mind and soul into even your smallest acts this is the secret of success.
