<u>ONE DAY INDUSTRIAL VISIT</u>

The students of III year CSE attended the one day industrial visit on 26/08/16, Friday at Pyroferus Technologies, Ashok Nagar, and Chennai. Students are divided into 2 batches and detailed demo about various testing methods were given.
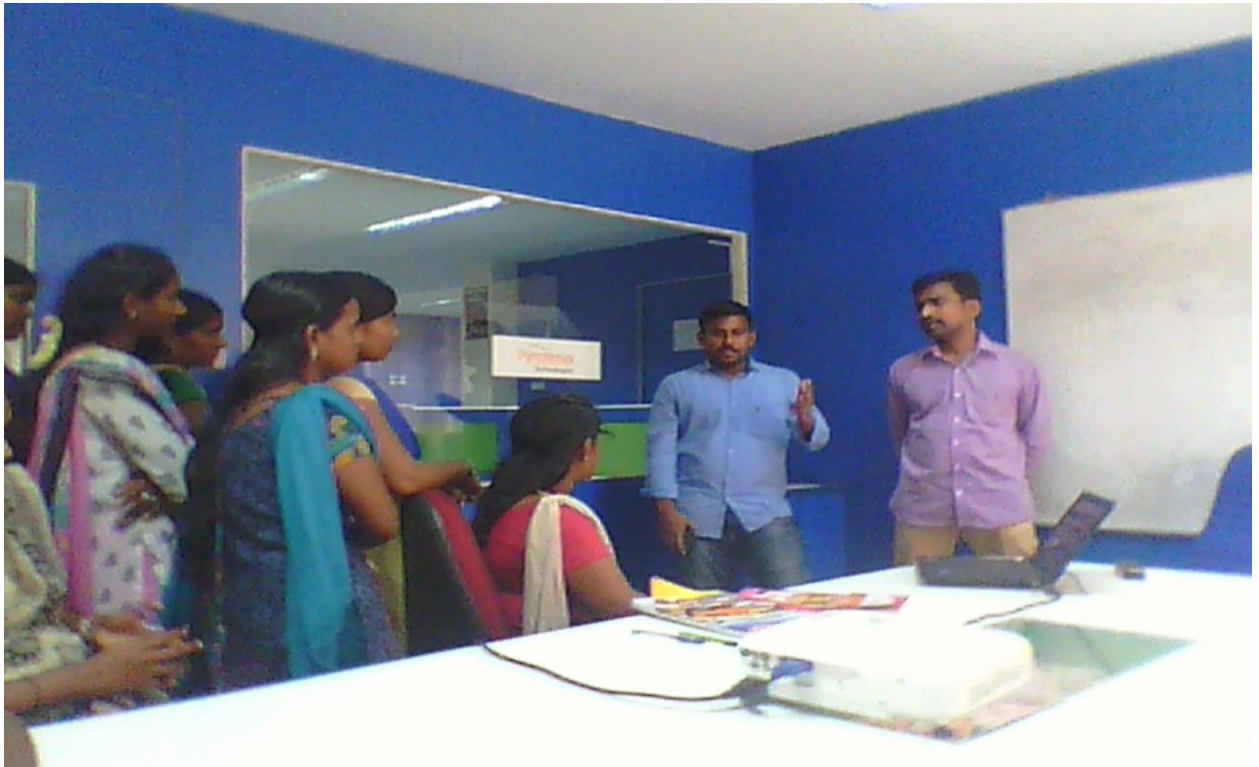

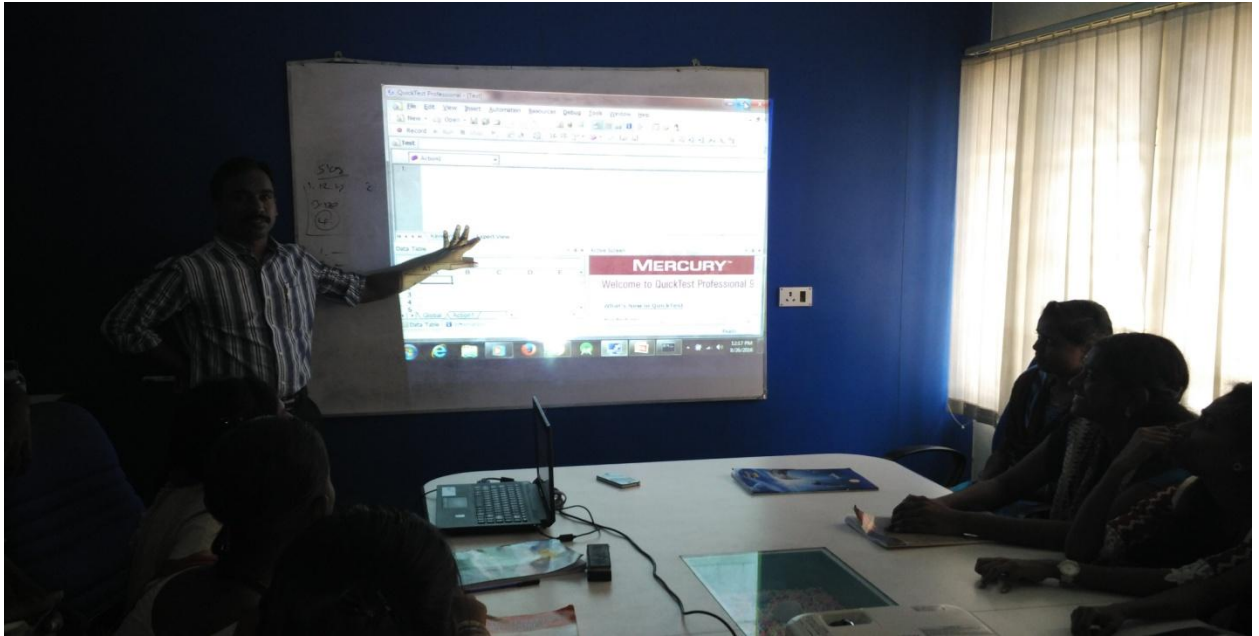

Experts explaining about various testing methods

QTP stands for **Q**uick**T**est **P**rofessional, a product of **H**ewlett **P**ackard **(HP)**. This tool helps testers to perform an automated functional testing, without monitoring ones script development is complete. HP QTP uses **Visual Basic Scripting (VBScript)** for automating the applications. The Scripting Engine need not be installed exclusively as it is available part of the Windows OS.From the students feedback, we can conclude that the industrial visit is very informative.
