DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

INDUSTRIAL VISIT REPORT

Name of the Company: Intellect Design Arena on 7th July 2018

Name of the faculty Coordinated: M.Jeevitha

Number of students: 24

Industrial visit to Intellect Design Arena (a software based company) was conducted on 7.7.18. On behalf of our department, we thank placement department for organizing industrial visit for us. It was a new experience to the students as it was their first IT based industrial visit. Intellect Design is purely product based company. And they design their R&D centre in the name of “8012” (which represents the longitude and altitude of intellect). They are mainly undergoing projects in Banking, Financial, Insurance and service called BFIS. Their clients are topmost bank sectors like CITI, SBI, RBI, KVB and Government e-market etc.

SESSION 1: PRESENTATION RE - COMPANY

SESSION 2: DESIGN THINKING CENTRE

SESSION 3: FEEDBACK ON IV
