Student attending Language and Communication Program for Fundamental Principles of Basic English Grammer on 17/11/2022-18/11/2022

Communication skills are regarded as the lifeline for not only augmenting one's knowledge and understanding in terms of implementation of job duties in a well-organized manner, but also in leading to success of the workplace. When the individuals get recruited within the organizations, they are well-aware of the fact that they need to make use of their educational qualifications and skills in putting into operation their job duties. Department Of Science and Humanities Conducted the Communication Skill Program from 17/11/2022-18/11/2022 for all the department Students.
