

Memorandum of Understanding

This Memorandum of Understanding (MOU) is made and entered into as of this 23rd day of OCT 2021, by and between

Hindustan Group of Institutions (HGI), having their office at No.40, GST road, St. Thomas Mount, Chennai - 600 016

And

Adhi College of Engineering & Technology, having office at No.6, Munu Adhi Nagar, Sankarapuram, near Oragadam, Chennai, Tamil Nadu 631605

Objective

The objective of this MOU is to confirm the collaboration of HGI and **Adhi College of Engineering & Technology** to promote the **Hindustan Pathway Promotion Program – HP³** and set out the responsibilities of both parties in this venture.

Hindustan Pathway Progression Program

HP³ is a professional offering to synergies the capacity of Hindustan Group's Programs with the best talents from the Colleges. HP³ provides a platform for the students passing out of reputed and prominent Colleges to obtain appropriate guidance and counselling so as to choose the right option from the wide range of programs offered by the Hindustan Group of Institutions.

Aim of the Program

To help the student community to choose their higher education with the proper guidance and counselling of experts.

Terms of Agreement

1. The students will get an option to join a wide range of courses offered by Hindustan Group of Institutions (HGI).
2. For every 5 students joining from the college, the 6th student will get Tuition Fee waiver based on the recommendation of the college.
3. In addition, if more than 10 students join from the college, Hindustan will sponsor any important event in the college up to an amount of Rs 50,000/-.
4. The students can avail merit scholarships based on their marks.

5. Girl students will get Special Scholarship and concession on Hostel / Transport Fees.
6. If minimum 5 girl students opt for campus accommodation, one girl student will get free accommodation (subject to availability).
7. Special Preference will be provided for Students under Sports / Cultural Quota.
8. HGI will provide proper admission counseling and campus visit facilities to the students.
9. HGI will offer value added courses to the college students for their career progression and interested students can participate in the same.
10. Faculty selected from the College will be trained and mentored under this collaboration to counsel the students into various pathways.
 - a. Selected faculty will be provided access and preference to higher educational programs such as Masters and Doctoral programs (conditions apply).
 - b. Every faculty selected will be given access to maximum 2 world class Digital Courses from our range of collaborations (conditions apply).
 - c. The College must provide necessary support and suitable slots for appropriate counselling sessions for the students.
 - d. Suitable arrangements must be made to promote the objectives of this Agreement among the College Community.
11. The team from HGI along with the team from the College will scrutinize and finalize the selection of students from among the applicants.
12. In respect of admissions and allocation of course, the decision of HGI will be final.

Term

This MOU will be in force for a period of **Three years** from the date mentioned above.
